Register page:

A mobile application registration screen with a dark theme. The top status bar is red and displays the time 11:37 AM, a download speed of 0.6KB/s, and various system icons. The main background is dark gray. The registration form consists of three input fields: 'Name', 'Mobile Number', and 'Password'. The 'Name' field has a small red vertical bar on the left. The 'Password' field includes a red eye icon for toggling visibility. Below the fields is a prominent red button labeled 'SIGN UP' in white capital letters.
